

SAFETY DATA SHEET (SDS)

ZenTreat S-210

SECTION 1: CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: ZenTreat S-210
Product Application: Alkaline Cleaner & Passivator
Manufacturer: REDAChem United for Trading Co.
P.O. Box 77683, Al Khobar 31952,
ABT Building 2nd Floor, Al Bustan District
Kingdom of Saudi Arabia (+966 13) 812 7775 (+966 13)812 1715
www.redachem.com
Emergency Contact Number: Saudi Arabia: +966 13 812 7775

SECTION 2: COMPOSITION INFORMATION ON INGREDIENTS

Chemical Name	CAS No.	EC No.	%
Sodium Hydroxide	1310-58-3	215-181-3	5 - 10
Phosphate	-	-	10 - 20
Other Proprietary components	-	-	< 5

SECTION 3: HAZARDS IDENTIFICATION

Potential Health Effects:

Likely routes of exposure: Eye and skin contact.
Eye contact: Burns eyes.
Skin contact: Burns skin.
Inhalation: No data available
Ingestion: May cause mucous damage.

SECTION 4: FIRST AID MEASURES

As a general rule, in case of doubt or if symptoms persist, always call a doctor. Never induce swallowing in an unconscious person.
If in eyes: Wash thoroughly with soft, clean water for 15 minutes holding eyelids open. Refer the patient to an ophthalmologist, in particular if there is any redness, pain or visual impairment.
If on skin: Do NOT use organic solvents or thinners.
If inhaled: Avoid it. Immediate first aid is not likely to be required. If symptoms occur, remove to fresh air.
If swallowed: If the quantity is small (no more than one mouthful), rinse the mouth with water and consult a doctor immediately.

SECTION 5: FIRE- FIGHTING MEASURES

Flash Point: Nonflammable.
Extinguishing Media: Water spray, foam, dry chemical, or carbon dioxide.
Fire & Explosion Procedures: Move container from fire area if it can be done without risk. Cool containers exposed to flames with water until well after the fire is out. Keep run-off water out of sewers and water sources. Dike for water control.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal Precautions: Use personal protection recommended in section 8.
Environmental Precautions: Keep out of drains and water courses.

Spill Clean-up Methods:

Contain large spills with dikes and transfer the material to appropriate containers for reclamation or disposal. Absorb remaining material or small spills with an inert material and then place in a chemical waste container. Flush spill area with water.

SECTION 7: HANDLING AND STORAGE**Handling:**

Observe precautions stated on label and also industrial safety regulations. Avoid contact of product with the skin and eyes. Smoking, eating, and drinking are prohibited in premises where the preparation is used. Emptied containers retain vapor and product residue. Observe all recommended safety precautions until container is cleaned, reconditioned, or destroyed. The reuse of this material's container for non-industrial purposes is prohibited and any reuse must be in consideration of the data provided in this material safety data sheet

Storage:

Keep the container tightly closed in a dry shaded area using proper safety requirements.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION**Protective Equipment:****Eye Protection:**

Wear safety goggles. Provide eye washes in workshops where the product is constantly handled.

Hand protection:

Protective creams may be used for exposed skin, but they should be applied after contact with the product.

Body Protection:

Although this product does not present a significant skin concern, minimize skin contamination by following good industrial practice. Wash thoroughly after handling.

Respiratory Protection:

Avoid breathing vapor or mist. Use approved respiratory protection equipment when airborne exposure is excessive. Consult the respirator manufacturer to determine the appropriate type of equipment for a given application. The respirator use limitations specified by the manufacturer must be observed.

Ventilation:

Provide natural or mechanical ventilation to minimize exposure. If practical, use local mechanical exhaust ventilation at sources of air contamination such as processing equipment.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	: Clear
State:	: liquid
Color:	: Yellowish
Odor Characteristic:	: Not Specified
pH of concentrate:	: 12 - 13
Specific Gravity @ 25°C	: 1.15 – 1.25
Viscosity, cps	: Not Specified
Melting Point, (°C)	: Not Specified
Boiling Point, (°C)	: > 100
Percentage Volatility, (%)	: Not Specified
Solubility in Water	: Soluble

SECTION 10: STABILITY AND REACTIVITY

Stability:	Stable under proper storage conditions.
Conditions to avoid:	Heat
Material to avoid:	Strong & weak acids
Hazardous decomposition products:	Un-known

SECTION 11: TOXICOLOGICAL INFORMATION

No data is available regarding the preparation itself.

It is generally agreed that substances contained are likely to cause the appearance of major lesions which persist for at least twenty-four hours after application to the eye of an animal. And are likely to cause significant irritation which lasts twenty-four hours after application to the healthy, unbroken skin of an animal for a period of up to 4 hours.

SECTION 12: ECOLOGICAL INFORMATION

No ecological data on the product is available.
The product must not be allowed to run into drains or waterways.

SECTION 13: DISPOSAL CONSIDERATIONS**Waste Management:**

Do not pour into drains or waterways.

Disposal Methods:

Local, state, provincial, and national disposal regulations may be more or less stringent. Consult your attorney or appropriate regulatory officials for information on such disposal. This product should not be dumped, spilled, rinsed, or washed into sewers or public waterways.

SECTION 14: TRANSPORT INFORMATION

UN Number: 1760
 Proper Shipping Name: Corrosive alkaline liquid
 IMDG Class: 8
 Packing Group: III

SECTION 15: REGULATORY INFORMATION

This preparation was classified in compliance with the directive known as <All preparations> 1999/45/EC and its adaptations. In addition, directive 2004/73/EC with the 29th adaptation of directive 67/548/EEC (Hazardous substances) have been taken into account.

Particular hazards associated with the risk and safety recommendations:

R34 Causes burns.
 R35 Causes severe burns.
 S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
 S36/37/39 Wear suitable protective clothing, gloves, and eye/face protection.
 S45 In case of accident or if you feel unwell, seek medical advice immediately
 S60 This material and its containers must be disposed of as hazardous waste.
